To Whom It May Concern,

I am writing this letter to fully endorse Mr. Grant Jeffrey as teaching candidate for your district. Mr. Jeffrey has worked at Northwestern High School for four years and truly has grown into an outstanding educator. In working as a principal for over 12 years, I can say without any reservations that Mr. Jeffrey is one educator that I would take with me to any school I was fortunate enough to lead. He is the consummate professional in every aspect of his duty on campus. Mr. Jeffrey shows up early and stays late when needed, he utilizes his time within the instructional day effectively and works as a great partner within his department's PLC. Mr. Jeffrey is constantly seen going above and beyond the call of duty to extend his students learning environment and is thorough with details and expectations he has for students. Mr. Jeffrey even took on additional duties as our staff advisor for Model UN.

I have shared so many positive experiences with Mr. Jeffrey and we are truly going to miss him at our school. He will do very well wherever he lands and without any doubt will contribute to the overall instructional experience for ALL students he encounters.

Sincerely,

Hezekiah Massey, III
Principal
Northwestern High School
